Immerse yourself in the bush. A rustic & comfortable lodge geared to put you in close contact with the sights, sounds, and scents of the wild.

3 DAY KRUGER TREEHOUSE TOUR

DAY 1 JOHANNESBURG TO GREATER KRUGER

We collect our clients from all hotels and guesthouses in Johannesburg as well as from O.R. Tambo Airport.

We travel via farmlands to the picturesque Lowveld and on to Tremisana Game Lodge in the Balule Section of the Kruger Park. After a short break, during which you may unwind at the bar, have a swim or relax in the tropical gardens, we board the open Landcruiser for a 4h Sunset Drive. Your guide will show you various animals and birds and after darkness falls, we use spotlights to locate nocturnal species.

Dinner will be an unforgettable Bush barbeque at our Marula Tree Boma. After dinner continue the Night Drive and overnight in comfortable air-conditioned en suite thatch-roofed chalets.

Dinner

DAY 2 KRUGER NATIONAL PARK

After breakfast you travel in an open-sided Gameviewer to the Orpen area of Kruger Park. The added elevation and absence of windows allows for excellent viewing and photographic opportunities. Your qualified guide will show you various animals, large and small, that frequent this outstanding wildlife paradise. The zone of Kruger you visit has the highest percentage population of giraffe, zebra, wildebeest and impala that attract numerous lions and other predators. Dinner and overnight in your fascinating treehouse at Marc's Treehouse Lodge.

Breakfast and Dinner

DAY 3 SUNRISE WALK

Enjoy a Sunrise Walk. After breakfast, drive via the Panorama Route to see the scenic splendours including the Three Rondawels and the Blyde River Canyon. We return to Johannesburg in the late afternoon. Airport drop-off by arrangement.

TREEHOUSE

At Marc's Camp

Immerse yourself in the bush with our Kruger Treehouse Safari, a rustic & comfortable lodge geared to put you in close contact with the sights, sounds, and scents of the wild. As human populations grow, so indigenous, pristine habitats are vanishing, along with their associated plant and animal species. Consequently, there is an urgent need amongst nature enthusiasts to immerse themselves in the bush, affording a fleeting chance to relax and let Nature remove the everyday strains of life. We have attempted to offer Kruger National Park Safari to satisfy the need.

Each treehouse is uniquely constructed on stilts. Some treehouses are en-suite, while others have an outside toilet and shower. Rooms vary from 2 sleepers to four sleepers and some enjoying views over the tree canopy.

Rooms are equipped with electric fans, mosquito nets and comfortable beds, with linen, towels and soap. 24 hour WIFI is available to all guests.

WHAT TO WEAR

Light, cotton clothing in light tones. These work best in a hot climate. Avoid white shirts as they show dirt easily and are more visible to animals.

Ladies - If you are staying at a private lodge, you can pack one smart set of clothing, but informal for the most part. We recommend packing a support bra for game drives as they sometimes get a little rough

It is a good idea to pack a few long-sleeved shirts and a pair of long trousers as evenings can get a bit chilly and they keep mosquitos at bay.

Winter can get chilly in the morning, especially on morning game drives. Take a lightweight waterproof jacket. Shorts and t-shirt will be most comfortable around mid day. The secret is to wear several layers that you can take off as it gets hotter.

Take a good pair of hiking shoes or trainers. Heavy duty hiking boots are not needed unless you are going on a walking safari. A pair of sandals might be good for walking around the pool and lodge.

The African Sun can be quite harsh on the skin on a very hot day. You should try and take a wide brim hat to shade your eyes and the back of your neck.
