All information provided in this tour dossier is subject to change without prior notice. Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

**Please ensure that you have downloaded and read a copy of the PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour**

### PCR Testing / Requirements

All guests participating in this tour should adhere to and be familiar with any mandatory covid-19 vaccine requirements or PCR testing requirements of the country/countries being visited. All costs associated with PCR testing will be for the guests' own account.

## TOUR ITINERARY

**Day 1 - South Africa – Cederberg Region**

Leaving Cape Town we make a last stop for a look back at Table Mountain from across Table Bay. No road trip is complete without a stop at a traditional “Padstal”, these small farm stalls dot the byways of South Africa and offer a variety of homemade treats and bakes. The Cedarberg region not only boasts spectacular mountains and orange farms, but it is also the home of the Rooibos bush. Indigenous to the mountain slopes of the Cedarberg, this herbal beverage has earned an international reputation as a healthy and refreshing alternative to regular tea. A dinner at our overnight stop offers an opportunity for us to get acquainted while enjoying some South African hospitality.

If you are fortunate enough to be travelling in the spring months (July to September) you may encounter the wild flowers that have made this region famous. No matter the time of year though, the strange desert vistas offer a unique backdrop to this day's travel.

While the Orange River was named after the Dutch Royal House, in recent times it has been referred to by its original name of Gariep, which simply means “river” in the indigenous Khoekhoe language. Beginning its journey in the mountains of Lesotho, the Orange River is the longest river in South Africa and offers a unique contrast to the desert landscapes along its banks. The best way to experience the river is by getting out on the water and this morning we have the opportunity to join an optional canoe trip on the river. Around midday (after lunch) we depart the Orange River and head inland to our overnight stop. At Ais Ais, you will have the opportunity to enjoy the mineral and sulphur rich hot springs.

After stretching our legs with a gentle walk along the rim of the canyon, we turn west and head for Keetmanshoop. Our afternoon will be spent meandering through the Quiver Tree Forest and The Giants Playground – named for the way in which the massive dolerite boulders have been placed on each other - creating rock formations and a series of mazes.

**Day 5 - Namib-Naukluft National Park**

Every overland journey has some long travelling days and today is one of those as we venture deeper into the Namib Desert. Our destination is the dune fields that cover the western reaches of the desert. Long dusty roads and sparsely populated farmlands offer us an insight into the vastness of rural Namibia. From the grasslands in the east to the red dunes of the west the slowly changing landscapes represents the many faces of this desert country. Tonight we camp on the doorstep of the dune fields and fall asleep to the unique calls of the elusive Barking Gecko.

### Day 17 – Khwai – Savuti – Chobe - Kasane

Today's journey from Khwai to Kasane (via the Savuti National Park) is expected to take approximately 10 hours. You will pack up camp and depart at first light on the open 4x4 safari vehicles. The road conditions can best be described as dense sand and depending on the season you are travelling in, could be through thick vegetation. During the winter months (May-September) we strongly suggest layering up on clothing, pack a beanie and/or scarf and thick jacket. Animal sightings can never be guaranteed while we transit/traverse these wilderness areas and any stops for viewing of the wildlife will add to the time spent in the 4x4 safari vehicle. We suggest stocking up on snacks and at least 1 x 5l bottle of water in Maun for the journey as there are no re-supply points until you reach Kasane.

The Savuti Game Reserve is a unique area bordered by the Okavango Delta to west and Chobe National Park to the east. Today is a long day as we spend most of our day travelling via the various sectors including the Savuti Game Reserve in search of the species that roam the plains. Expect some bumpy roads as we traverse this wilderness area in our 4x4 vehicles. Offering habitats from wetland, open water to the grasslands and Savannah woodland, we hope to see as many species of fauna and flora possible. This afternoon we arrive on the banks of the Chobe River and will be re-united with our truck in the town of Kasane.
