All information provided in this tour dossier is subject to change without prior notice. Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Reaching one of the many islands, a nature walk may be taken with your pole and after the walk, we return by mokoro through the channels back to the poling station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be spotted in this pristine wilderness area, including elephant, giraffe, kudu, impala and zebra. After lunch, we will return to Moremi Game Reserve for our afternoon game drive which will be conducted in open 4x4 safari vehicles.
