Day 1: Windhoek – Namib Desert.

Depart from Windhoek, passing the Kupferberg Pass, we drive along cattle farm land and see a few farmhouses along the way. We continue via the scenic Spreetshoogte Pass to enjoy an undisturbed view on top of one of the steepest passes in Namibia!

We will stop at the small settlement Solitaire before reaching the lodge located in the NamNau Habitat private reserve, which hosts a variety of desert adapted game like springbok, ostrich, earth wolf, bat-eared fox and many more.

Day 2: Namib Desert.

An early morning rise enables you to arrive at Sesriem gate at around sunrise. The early morning sun offers spectacular pastel colours in the star-shaped dunes.

Your first stop will be at Dune 45. Climb one of the dunes and you might be overwhelmed by the sight of the dynamic and living desert! Enjoy a picnic breakfast under a shady camelthorn tree, before we continue to the 'Dead Vlei'. We also visit the Sesriem Canyon, a 30 metre deep rift, before we return to our accommodation for a late lunch.

During the late afternoon a sundowner-drive to the natural marble mountains on this 25,000 ha private nature reserve is included.

- Join a scenic flight along the coastline.

The choice is yours – please contact us for your individual excursion.
