DAY 1 JOHANNESBURG TO GREATER KRUGER

Sawubona! Welcome to South Africa. We depart early morning from Johannesburg, the 'City of Gold' and head off on an adventure of a lifetime. A truly unique African experience unfolds as we enter the Greater Kruger National Park ecosystem arriving at our Lodge in time for lunch (570 km, approx 8-9 hours travel time including stops along the way).

Thornhill Safari Lodge welcomes you into the heart of the African bushveld on your arrival, setting the tone for a memorable safari adventure. Head out on a late afternoon and early evening game drive. We track elusive creatures of the night while being guided by state-of-the-art spotlights. You are in the midst of one of the most diverse eco systems in the world, with animal and bird species that have captured the fascination of travellers for hundreds of years. On return from your drive, we enjoy a traditional African Boma dinner around the campfire, while being serenaded by sounds of the African night. (Weather permitting)

DAY 2 FULL DAY KRUGER NATIONAL PARK

Look forward to an early rise as our guides meet you, ready for a day of exploration in the celebrated Kruger National Park. The Park offers an unrivalled wildlife experience that ranks with the best not only in Africa, but around the world. Its rich history dates to 1898, and its goal has always been to protect the wildlife of the South African Lowveld. Today, this national treasure offers 2 million hectares of unspoiled African wild.

Truly the flagship of the South African National Parks, Kruger remains home to an impressive number of species ranging from 336 trees, 49 fish, 34 amphibians, 114 reptiles, 517 birds and 146 mammals. Look forward to a safari experience that unfolds from the moment you enter the Kruger Park and explore the best game drive routes the Park has to offer.

Your game drive takes you to a remote site where we stop for a picnic brunch. After brunch, the rest of the day is spent discovering the Kruger Park's various viewpoints and waterholes. We return to the comforts of Thornhill Safari Lodge, where we enjoy yet another taste of traditional African cuisine before retiring to the peaceful sounds of the African bush.
